Portfolio Website

Hard Skill

- Front-End: React.js, Javascript (ES6+), HTML5, CSS3, Tailwind CSS
- State Management: Redux Toolkit, ContextAPI
- Tools:React Query, React Router
- Frameworks: Next.js (Beginner)
- · Git and Github
- React Flow

Soft Skill

- Team Collaboration
- Problem-Solving
- Communication
- Technical Aptitude

Education Background

- Mulund College Of Commerce, Mulund BSc. Computer Science
 Aug 2021 - May 2024
 CGPA: 8.75/10
- SST College of Arts and Commerce, Ulhasnagar
 Higher Secondary Certificate (HSC)
 2021

HSC Percentage: 80.67%

 S.S. Jondhale Vidya Mandir, Ambernath Secondary School Certificate (SSC) 2019

SSC Percentage: 71.40%

About Me

Dedicated Front-End Developer with a ability to create responsive and user-centric web applications using React.js and modern JavaScript practices (ES6+). Skilled in state management with libraries like Redux Toolkit and proficient in front-end development essentials like HTML5, CSS3, and development tools (React Query, React Router). Continuously expanding knowledge base by exploring frameworks like Next.js. Knowledgeable in fundamental data structures and algorithms, ensuring efficient and optimized code.

Experience

Software Developer Intern

Nablasol - Remote 14/10/24 - 11/04/25

- Fixed critical bugs and optimized React.js applications, improving performance and maintainability by reducing load times and optimizing component rendering.
- Worked on a Document Management System (DMS) project, collaborating closely with the backend team to integrate APIs and deliver seamless data handling.
- Independently built the front-end for a workflow management project using React.js and React Flow, ensuring a dynamic and interactive UI.
- Built and enhanced interactive dashboards, collaborated on API integration
- Built a Wix website from scratch, adding custom features and ensuring a responsive, user-friendly experience.

Projects

ChitraMitra - Social Web Application 2024

- Created a dynamic social media platform using React.js, Supabase, React Query, and Tailwind CSS.
- Implemented secure user authentication (signup, login).
- Managed post CRUD for user content management.
- Integrated likes, comments, follow/unfollow, and messaging functionalities.
- Enabled dark mode for enhanced user experience.
- Github Link : Github Repo

Certifications

- JavaScript Development Certification (Udemy) May 2023 (Certification Link)
- React Development with Next.js & Redux (Udemy) Dec 2023 (Certification Link)
